Le Fornaci
Lugana Riserva

DENOMINAZIONE DI ORIGINE CONTROLLATA

2020

93 POINTS | vinous

The 2020 Lugana Riserva Le Fornaci lifts from the glass with a tropical flourish of citrus and flowers, as hints of nectarine and sweet spice form the core of its seductive bouquet. Soothingly round and supple, this finds lovely contrasts through a core of sour lemon-lime and saline minerals, coming across as ripe in style yet perfectly refined.
The 2020 tapers off classically dry, with tremendous length. What a beauty. The Lugana Riserva is refined in a combination of stainless steel and 25% French barriques.
