DENOMINAZIONE DI ORIGINE CONTROLLATA

2022

93 POINTS | vinous

The 2022 Lugana Riserva Le Fornaci is pleasantly rich yet lively, with a whiff of sweet spice and lemon sorbet giving way to white peach. It smooths over the palate with mineral-infused orchard fruit and minty herbal tones as hints of sour citrus add cheek-pinching tension toward the close. It finishes long, leaving zesty lime and a salty sensation that lingers.
